

INTERNATIONAL RATE SOLICITATION –13

SUPPLEMENT 3 (EFFECTIVE 19 JUN 03 THROUGH 30 SEP 03)

APL has advised MTMC that effective **19 June 2003** APL will no longer accept shipments for service into and out of Hakata, Japan. For shipments moving between the effective dates (**June 19, 2003** through September 30, 2003), carriers are authorized to bill the difference in linehaul transportation (Item 530) from Hakata to Yokohama. Effective IW03, these charges must be included in carrier's rate submissions.

Billings to DFAS. These additional charges will have to be shown separately on the carrier's invoice. When submitting billing by EDI, carriers must use EDI code **(TPS)**, and describe "**Supplement 3 – Line Haul charges from Hakata and Yokohama**". Carriers must maintain back up documentation when submitting billing by EDI.
