

Military Surface Deployment and Distribution Command
Carrier Advisory
January 24, 2013
CAR-13-01/24-0004

Subject: Department of Defense (DOD) Transportation Service Provider (TSP) Qualification Review

Purpose: To ensure SDDC has the most accurate TSP email address in the Freight Carrier Registration Program (FCRP) database. TSPs must utilize carrier registrations email address to submit the bond and insurance.

Be Advised: TSPs must ensure their email contact address in the FCRP database is reviewed and accurate. There are situations in which SDDC must contact TSPs via email address listed in FCRP. Inaccurate email addresses will prevent SDDC from being able to contact TSP and will lead to TSPs being placed in disapproval status.

TSPs are responsible to ensure their contact information is accurate and updated as a part of the freight carrier registration process IAW MFTURP-1 Section A.II.A.2.e. TSPs should note SDDC Command Group will utilize information provided in the FCRP to contact their CEO and the president for official command invitations, quality awards, or other formal correspondence, as needed. Therefore, it is imperative the FCRP database retains the most accurate contact information.

SDDC G9 Quality Assurance (QA) Branch is the program manager for the FCRP and liaison for the government representatives, CEO and SDDC Command Group.

Due to the paperless processing and environmentally friendly awareness SDDC will no longer accept hardcopy of the bond and insurance. If hardcopies are received they will be disregarded without further action. Therefore, TSPs must instruct their bond Surety Company or insurance agent to forward a copy of the bond and insurance to: usarmy.scott.sddc.mbx.carrier-registrations@mail.mil by email or fax it to 618-256-6081. Detail instruction can be found in the Welcome Package, STEP 4, b.

SDDC POC: Quality Assurance (618) 220-6470, fax (618) 256-6081 or email: usarmy.scott.sddc.mbx.carrier-registrations@mail.mil.

Expiration: N/A
