It is mandatory that all Transportation Service Providers (TSPs) update their Certificate of Responsibility (COR) and Certificate of Independent Pricing (CIP) in the Defense Personal Property System (DPS) before the next rate cycle. Updates MUST be completed between December 1, 2010 - COB January 14, 2011.

Request all TSPs go into DPS to review, update and submit CIP/COR documents for approval. Once you complete your review and update, you must ensure the documents are in UNDER REVIEW status and not IN PROGRESS or SUBMITTED status. As a reminder, ONLY the President or CEO can certify and submit the COR and CIP documents.

Failure to update your qualification documents will preclude you from participating in future rate filing cycles. Questions may be addressed to Ms. Wanda Suite at 618-220-5407 or Mr. Jerry Jordan at 618-220-5775.
