

Military Surface Deployment and Distribution Command

Customer and Carrier Advisory

August 4, 2023

CA-23-08-04/0057

Subject: Booking Advisory for Cargo Movement to/from Bremerhaven, Germany.

Purpose: Advise carriers, shippers, and SDDC Booking Offices on the creation and use of an additional Water Port Code for the Port of Bremerhaven.

Be Advised: New guidance for shipping cargo to/from Bremerhaven.

1. GENERAL INFORMATION

- a. To have better visibility of vessel schedules and port operations in the Bremerhaven, Germany port area, an additional Bremerhaven Port Code was created.
- b. The new port code JFX/Bremerhaven Military will be used when vessel operations are being performed by the Military or its Stevedoring Contractor (free-terms).
- c. The original port code of JF1/Bremerhaven will continue to be used for all vessel operations performed by the Commercial Carriers (liner-terms).
- d. This will allow the Commercial Carriers who support all terms of carriage at Bremerhaven to communicate and coordinate more effectively with all stakeholders.

Water Port Code: JF1

Location Name: Bremerhaven

Terms: Liner In/Liner Out

Note: Use for all Container Carriers and any cargo booked to door

Water Port Code: JFX

Location Name: Bremerhaven Military
