**Customer and Carrier Advisory**

**March 7, 2025**

**CA-22-03-28/0028**

**Update 1**

**SUBJECT:** Movement Type for Shipments Consigned to the US Army Reserve (USAR), Puerto Rico

**PURPOSE:** To inform SDDC Ocean Cargo Booking Offices and Department of Defense shippers of the movement type requirement for US Army Reserve Puerto Rico shipments.

**BE ADVISED:** All cargo shipped to the US Army Reserve Puerto Rico must be booked to the port. Puerto Rico USAR DODAACs are consigned to the Fort Buchanan Supply Support Activity (SSA); however, the actual final destinations are the unit locations throughout the island. Consigning to the port will allow the ITO to deliver directly to the correct location.
