Subject: SDDC Shipper Session 17 August 2023

Purpose: To train Installation Transportation Officers (ITO) and others on calculating cost estimates, International Traffic in Arms Regulations (ITAR) and how to process those shipments using CMOS when shipping commercial air and, freight payment, issues and trends.

SDDC G33 Outreach and Engagements Branch will host a shipper session on calculating cost estimates, ITAR and how to process those shipments using CMOS when shipping commercial air and freight payment, issues and trends

Training will be provided by the SDDC, CMOS and US Bank.

The target audience for this session are ITOs and DOD Freight Specialists who need assistance with the topics covered in the training.

Be Advised: Participants must register for the Shipper Session prior to 14 Aug 2023.

To register, DOD shippers should visit:

<https://sddc.aep.army.mil/sites/G3/apps/shipperSession/default.aspx>.

Select the "Shipper Session Schedules" tab, then select the appropriate "Fiscal Year" header to expand the menu. Participants should select the session(s) he/she wishes to register for. All scheduled Shipper Sessions for the year are posted here and shippers may register for more than one session (dates, time and topics are subject to change).

Participants should enter their "Point of Contact Information" and then click save.

The Shipper Session will be conducted in TEAMS. TEAMS information will be emailed to all registered participants on 14 Aug 2023.

Detailed Shipper Session Registration Login Instructions are included below.
