

Military Surface Deployment and Distribution Command

Customer and Carrier Advisory

February 20, 2025

CA-25-02-20/0009

Subject: Use of Dashboard Cameras (Dashcams) on Military Installations and Activities

Purpose: To advise Transportation Service Providers (TSP) and Transportation Office personnel to utilize the Transportation Facilities Guide (TFG) to communicate requirements related to the use of dashcams on DoD installations/activities.

Background: DoD installations and activities may have differing policies on the use of dashcams.

Be Advised: Transportation Office personnel should include information on the use of dashcams, along with other installation access related information, in the "Special Instructions" section under "General Information" on the "Site" tab of their GBLOC's TFG page. This information may need to be coordinated with security forces.

TSPs are advised to check the Transportation Facilities Guide for access requirements, to include requirements related to the use of dashcams. This information should be located in the "Special Instructions" section of the "Site" tab. If the TFG does not provide adequate guidance, TSPs should contact the Transportation Office for information. Point of contact information can be found in the TFG under the "General Information" section of the location's "Site" tab.
