

**Military Surface Deployment and Distribution Command**

**Customer and Carrier Advisory**

**September 28, 2023**

**CA-23-09-28/0073**

**Subject:** Clearance Requirement for Weapons Transported via AMC Channel Mission thru APOE Dover AFB

**Purpose:** To notify shippers all weapons destined with Advanced Transportation Control Movement Document (TCMD) Identifier Code (DIC ID) Weapons (TW) and over 300lbs must be cleared prior to delivery to APOE 436 APS, Dover AFB, DE (DOV).

**Be Advised:** There has been an increase weapons shipments being received at DOV. This commodity requires secure storage and amount being received is exceeding limitations.

All weapons with DOC ID TW and Commodity/Special Handling codes (2-2/ 2-3/ 2-4/ 2-Y / 2-H) must be cleared by the 436 APS prior to delivery to expedite onward movement.

Shippers must clear weapons thru DOV POC below. We will advise when pre-clearance is no longer required.

**436 APS, Dover AFB, DE POC:** Primary: Capability Forecasting, (302) 677-2303 (DSN 445) [436aps.capeforecasting@us.af.mil](mailto:436aps.capeforecasting@us.af.mil); Alternate: Special Handling Supervisor, (302) 677-4313, [436aps.trks.orgbox@us.af.mil](mailto:436aps.trks.orgbox@us.af.mil)

**HQ AMC POC:** AMC/A4TC, DSN 779-4434/Commercial 618-229-4434, [amc.a4tcp@us.af.mil](mailto:amc.a4tcp@us.af.mil)
