Customer and Carrier Advisory

November 12, 2024

CA-24-11-12/0066

Subject: Cargo Clearance Import (CCI) and Cargo Clearance Export (CCE) requirement for Japan (not including Okinawa).

Purpose: Provide updated guidance for use of CCI and CCE accessorial services for specific ports in Japan under the Universal Service (USC) and Commercial Multi-Modal (CMM) Contracts.

Be Advised: As of September 12, 2024, CCI and CCE are required for bookings moving through Japanese ports, except for Yokohama, Kure, Hiroshima and Iwakuni.

Any incidental services the contractor performs to assist in cargo clearance at Yokohama, Kure, Hiroshima and Iwakuni is included in the contractor's ocean or single factor rates per USC and CMM

Okinawa is not included in this advisory.
