

# **Military Surface Deployment and Distribution Command**

## **Customer and Carrier Advisory**

**November 15, 2023**

**CA-23-11-15-0084**

**Subject:** SDDC Government Cargo Recovery Effort Program (GOCARE) Familiarization Training for Department of Defense (DoD) Approved Commercial Transportation Service Providers (TSPs)

**Purpose:** To inform DoD Approved Commercial TSPs of the upcoming GOCARE training session.

**Be Advised:** SDDC Outreach and Engagement Branch will host a GOCARE familiarization training session intended for DoD approved commercial TSPs on the date of 14 Dec 2023 at 1:00 pm Central Time.

The GOCARE program provides the DoD with a method to recover astray and frustrated cargo located at a commercial TSPs terminal or warehouse. The intent of the training is to provide TSPs a basic understanding of the program and provide the tools needed to ensure the overall success of the program. Participation in the GOCARE program is mandatory for all TSPs doing business with SDDC.

SDDC recommends TSPs review the GOCARE requirements contained in the Military Freight Traffic Unified Rules Publication-1 (MFTURP-1) Section A, Part VI, Paragraph J. prior to the training session.

To register for the training, please forward an email containing the name(s) of attendee(s), email address and SCAC no later than 7 Dec 2023 to:

[usarmy.scott.sddc.mbx.go-carriers@army.mil](mailto:usarmy.scott.sddc.mbx.go-carriers@army.mil)

The training session will be conducted utilizing Microsoft TEAMS. The meeting link will be forwarded to all registered participants on 12 Dec 2023.
