

Surface Deployment and Distribution Command

Customer and Carrier Advisory

December 20, 2024

CA-24-12-20/0074

Subject: Global Freight Management (GFM) Shipper Training Sessions

Purpose: Inform Transportation Officers (TOs) and Installation Transportation Office (ITO) staff about the upcoming GFM shipper training sessions.

Be Advised: The GFM Program Management Office provides monthly training sessions for TOs and ITO staffs. Shipper I provides a comprehensive overview of the Freight Acquisition Shipping Tool application to include the override process. Shipper II covers generating shipments utilizing the Spot Bid application. The third session covers the Discrepancy Identification System (DIS) application. There are no limits on frequency of attendance. Shippers must have a GFM Simulation account to sign up for training.

NOTE: GFM training provided by SDDC is the only government authorized training. SDDC does not endorse or validate GFM training provided by third parties.
