

Military Surface Deployment and Distribution Command

Customer Advisory

October 25, 2021

CA-21-10-25/0115

Subject: Foreign Military Sales (FMS) Ammunition and Explosives Container Packing/Stuffing at Military Ocean Terminal Sunny Point, North Carolina (MOTSU)

Purpose: To inform FMS ammunition and explosives shippers of container Packing/Stuffing restrictions at MOTSU from 15 April 2022 to 23 June 2022.

Be Advised: Effective 15 Apr 2022, all FMS ammunition and explosives shipments using MOTSU as the planned Sea Port of Embarkation must be packed/stuffed in shipping containers IAW Department of Defense (DoD) standards prior to being called forward to MOTSU for loading on a vessel. SDDC forecasts that this restriction will be in effect through 23 Jun 2022.

SDDC POC: HQ SDDC G330A, Ammunition and FMS Movement Operations Branch, (618) 220-4940, usarmy.scott.sddc.mbx.g3-fms-ammo@army.mil

Expiration: 23 Jun 22
