

Military Surface Deployment and Distribution Command

Customer Advisory

JUNE 7, 2021

CA-21-06-07/0047

Subject: Road construction delaying access to Sierra Army Depot

Purpose: To inform Transportation Service Providers to plan additional time for commercial truck entry to Sierra Army Depot.

Be Advised: There will be one-way controlled traffic for all commercial vehicles entering Sierra Army Depot for all deliveries and pick-ups from Monday June 6th – Saturday June 26th. There will be construction on Susanville Road/A25 which is the only access point to Sierra Army Depot. Commercial vehicles will be escorted by pilot vehicles through the construction areas. Low profile vehicles and trailers will need to take caution while driving on the uneven surfaces. Traffic will be slower and moving machinery may cause delays. Please note that due to delays in road construction, trucks arriving outside of the shipping and receiving hours will have to wait until the next working business day. Shipping and receiving hours (Monday – Thursday 0630-1430; closed for lunch from 1130-1200 and closed Fridays) will remain the same.

POC: Public Affairs Office (530) 827-4343; usarmy.sierra.tacom.mbx.siad-pao@mail.mil

Expiration: June 26th, 2021
