Subject: SDDC Shipper Session 26 May 2022

Purpose: To train ITOs and others on how CMOS supports the NGDS and GHS contracts through the interface with the Small Package Express (SPE) and GFM Rate Rank Web Services.

On 26 May 2022 at 1300 Central Time, SDDC G3, will host a shipper session focusing on how CMOS supports the NGDS and GHS contracts through the interface with the Small Package Express (SPE) and GFM Rate Rank Web Services.

Agenda will be as follows:

- a.** Demo on how Rate Quote plays an important role in the Small Package Carrier services selection IAW the NGDS contract.
- b.** Demo on Rate Quote for GHS to show how shippers can use the rates returned for planning purposes but still requires routing through the Automated Transportation Request (ATR) process via the RRWS interface.
- c.** Demo on the routing process from identifying a TCN needing a routing to be awarded to a carrier.
- d.** Questions & Answers.

Training will be provided via TEAMS.

Be Advised: Participants must register for the Shipper Session prior to 23 May 2022.

To register, DOD shippers should visit:

<https://sddc.aep.army.mil/sites/G3/apps/shipperSession/default.aspx>

Select the "Shipper Session Schedules" tab, then select the appropriate "Fiscal Year" header to expand the menu. Participants should select the session(s) he/she wishes to register for. All scheduled Shipper Sessions for the year are posted here and shippers may register for more than one session (dates, times and topics are subject to change).

Participants should enter their "Point of Contact Information" and then click save. The Shipper Session will be conducted via TEAMS. All registered participants will receive TEAMS information via email on 25 May 2022.
