Subject: SDDC Shipper Session Notice for 23 May 2024

Purpose: To train ITOs and other government stakeholders on Carrier Performance.

Be Advised: On 23 May, the SDDC G33S Outreach and Engagements Branch will host a shipper session covering Carrier Performance. This will be the only topic for the session. Training will be provided by SDDC G33S. The target audience for this session are ITOs and DoD Freight Specialists.

Please note, the Shipper Session registration process has changed. To participate in the session, you must RSVP with the SDDC Outreach and Engagement Team by COB 20 May 2024.

The Shipper Session will be conducted in TEAMS.

To register for the session, please send an email to usarmy.scott.sddc.mbx.g3-shipper-session@army.mil. To participate, your email address must have a .mil or .gov extension. All others will be denied.

The meeting invite will be sent out the morning of 21 May 2024.

The next Shipper Session is tentatively scheduled for 22 Aug 2024. If you have any topics, you would like discussed in future Sessions please add it to your email when registering.
