Subject: FY22 Next Generation Delivery Service Contractors and Rates

Purpose: Informational

Be Advised: This advisory takes effect immediately and supersedes all previous customer advisories pertaining to this subject.

General Information:

1. As a reminder, the Next Generation Delivery Service (NGDS) contract is an OMB Mandatory use Best in Class contract by the whole of federal government. The NGDS contract provides domestic express (air) and ground delivery services up to and including 150 lbs. within the CONUS; domestic express delivery services up to and including 300 lbs. between CONUS and Alaska (AK), Hawaii (HI) and Puerto Rico (PR) and within AK, HI and PR; international express delivery for shipments up to and including 300 lbs.

2. The NGDS contractors and contract numbers are as follows:

Contractor Name	Contract Number	Service Offered
Federal Express Corporation	HTC71117FC001	Domestic and International
Polar Air Cargo Worldwide, Inc (Serviced by DHL)	HTC71117FC002	International
United Parcel Service Co	HTC71117FC003	Domestic and International

3. The FY22 rates went into effect on 1 October 2021 and can be accessed via the GSA Acquisition Gateway located at URL <https://hallways.cap.gsa.gov/login-information>. Approved access to the gateway is required (register an account with OMB MAX, PIV or CAC Card enabled) to view NGDS program documentation. Once in the site, select the tile titled “Transportation & Logistics Services”, then select the “Package Delivery & Packaging” radio button. Once filtered, users will be presented with NGDS contract documentation.
