

**United States Transportation Command**  
**Customer Advisory**  
**May 16, 2024**  
**USTC-CA-00075**

**Subject:** Disapproval of Swift Air, LLC, SCAC: SALS

**Purpose:** To inform shippers/transportation officers of the disapproval of Swift Air, LLC, SCAC: SALS.

**Be Advised:** Swift Air, LLC, ceased operations on 6 April 2024, parking all aircraft and releasing all the pilots. All management personnel were released on 29 April 2024, and the FAA Operating Certificate was surrendered on 10 May 2024. Remaining assets have been turned over to a court appointed trustee.

Swift Air was a DOD approved air carrier providing air transportation services and was attempting to become a member of the Civil Air Reserve Fleet.

Since Swift Air no longer provides air transportation services and does not possess an air operating certificate, they no longer meet the requirements in 10 USC 2640 and 32 CFR 861. Effective immediately, Swift Air is being removed as a DOD approved air carrier and can no longer offer air transportation services to the DOD.

Any shippers having questions about shipments currently being moved by Swift Air, should contact the Commercial Services Branch.

**Point of Contacts:** USTRANSCOM Commercial Services Branch, TCJ4-LC, DSN (332) 817-5773, CML (618) 817-5773, or email [transcom.scott.tcj5j4.mbx.lc@mail.mil](mailto:transcom.scott.tcj5j4.mbx.lc@mail.mil).

**Expiration Date:** N/A
