

Reservation Instructions

FOR ALL RESERVATIONS CALL 1-888-NEED-TRK (633-3875)

All reservations will be set up at the nearest rental location.

You have a choice between a fixed rate with unlimited mileage, a variable rate with a lower daily rate but a mileage charge, or a one way rental rate which allows you to drop the rental in a different city over 100 miles in distance.

All rentals are to be with an official government charge card. The card must be present at the time of pick up of rental vehicles.

A billing account can be established. Ask reservation agent to speak with Commercial Account Manager.

Driver must present drivers license.

No special license is required to operate our vehicles, they are Non-CDL.

Reservation agent will prompt you through the call as to when you need the truck, the truck size needed and where the truck is needed.

The agent on the phone will provide a confirmation number for your reservation
