

## **Implementation of Section 889(a)(1)(B) of the FY2019 National Defense Authorization Act (NDAA)**

Effective 23 September 2020, all Freight Carrier Registration Program-approved (FCRP) Transportation Service Providers (TSPs) must log into the FCRP module of Global Freight Management (GFM) to self-certify compliance/non-compliance with NDAA Section 889(a)(1)(B).

Any new TSP wishing to register in FCRP must complete the self-certification as part of the initial approval process.

TSPs should review the SDDC Customer Advisory dated 23 September 2020 Customer Advisory (CA-20-09-16/0078) for additional information. The Military Freight Traffic Unified Rules Publication (MFTURP-1) and SDDC Welcome Package have been updated to reflect NDAA Section 889(a)(1)(B) requirements. Both documents are available on the SDDC Website:
