

SDDC Traffic Management Specialist Position GS-2130-7/9/11 (\$50,204 - \$74,299)

Job Description:

This is a developmental position starting at GS-7, then promoted to a GS-9 after one year, then to a GS-11 after the second year. The incumbent serves as a Traffic Management Specialist in the Defense Transportation Tracking System (DTTS) emergency operations center. The DTTS emergency operations center monitors Department of Defense (DOD) shipments using satellite/cellular technology and provides near real time in-transit visibility. Work involves Major Command operational level support of emergencies as they arise. Tasks include planning, monitoring, and coordinating actions to ensure complete visibility and security of sensitive materials in transit until they reach destination. We are looking to hire employees with excellent customer service, communication, and organizational skills. Telework may be authorized.

1st year pay as a GS-7: \$50,204

2nd year pay as a GS-9: \$61,408

3rd year pay as a GS-11: \$74,299

Qualifications:

Major studies for the Traffic Management Specialist position include accounting, business administration, business or commercial law, commerce, economics, safety, public affairs, security, engineering, finance, industrial management, statistics, traffic management, transportation, and motor mechanics. Applicant should have a 2.95 GPA and be a recent graduate. The term "recent graduate" means a person who was awarded a degree by an institution of higher education not more than 2 years before the date of the appointment of such person, except that in the case of a person who has completed a period of obligated service in a uniformed service of more than 4 years, such term means a person who was awarded a degree by an institution of higher education not more than 4 years before the date of the appointment of such person. Qualified students that graduated in May 2024 are highly encouraged to apply.

This full-time position is at the Military Surface Deployment and Distribution Command (SDDC) at Scott AFB, IL. It is a federal employee civilian job working at an Army command where 75% of the employees are civilians. This is a great opportunity for college graduates to enter the federal workforce non-competitively as a permanent employee with competitive pay and excellent benefits. With direct hire authority, we can make a tentative offer from the resume and do not have to advertise the position competitively through USAJOBS. SDDC does not pay for PCS/moving costs for selected employees at this grade.

Important note: The incumbent will be required to work nonstandard duty hours (e.g., shifts (6:30 am - 3:30 pm; 2:30 pm-11:30 pm; or 10:30 pm – 7:30 am), weekends, holidays, and overtime - both scheduled and unscheduled).

ELIGIBILITY REQUIREMENTS:

Must be a U.S. Citizen

Must be able to obtain and maintain a Secret Security Clearance

Bachelor Degree

30% Disabled Veterans & Veterans with Veterans Recruitment Authority (VRA)

Please email resume and transcripts to: usarmy.scott.sddc.mbx.g1-staffing@army.mil

SDDC's G-1 HR Specialist (Recruiting) will be the point of contact for this announcement and answer any questions about the position sent to the above email.

The application window to submit resumes and transcripts for job consideration is from 18 – 24 June 2024.

SDDC has launched a new Civilian Careers Page. At this link <https://www.sddc.army.mil/SitePages/careers.aspx> public job seekers, can click on the "USAJOBS – Search" link and see what SDDC positions are currently available.

On the right side of the page are links to several sites pertaining to civilian employment, to include "Hiring Events." This is where non-competitive positions and direct hire opportunities will be posted for events.
