SUBJECT: Domestic Freight Fuel-Related Rate Adjustment Table

Reference: SDDC Fuel-Related Rate Adjustment Policy Letter (TR-12), dated 2 May 2019

1. Fuel-Related Rate Adjustments are based on the national average of diesel fuel prices as published by the Department of Energy (DOE), Energy Information Administration (EIA) on Monday of each week (or first working day after a Monday if Monday is a Federal holiday). You can view the latest fuel related prices at EIA Website: <https://www.eia.gov/petroleum/gasdiesel/>

2. The adjustment for the corresponding shipping period is a result of comparing the EIA price with the SDDC Fuel Policy baseline prices. This comparison determines the applicability of a Fuel-Related Rate Adjustment. In the below table, the Shipment Period column indicates the effective period of the rate adjustment. It is very important to note shipments must be picked up during this time period for the fuel rate adjustment to apply.

3. The table below is to be used to determine the Fuel-Related Rate Adjustment under the Domestic Freight Program. The following are explanations for each column.

Column 1: EIA Publication date obtained from the EIA website.

Column 2: The Shipment Period column indicates the effective period of the rate adjustment.

Column 3: Indicates the EIA's price per gallon. FAK/TPS TL Formula: (Miles/6) \* (EIA rate – baseline). A negative number equates to zero.

Column 4: Annex (A): This column to be used to determine the fuel surcharge for LTL shipments which are based on a \$2.50 baseline.

Column 5: Annex (B): This column to be used to determine the fuel surcharge for DFTS Contract which is based on a \$2.50 baseline.

Column 6: Annex (C): \* Not applicable as both contracts have expired.

4. For Domestic Freight Program movements, SDDC will continue non-payment for any Fuel- Related Rate Adjustments on neither Spot-Bid movements nor any rail movements. For more information please review the above referenced policy letter located in the Fuel Surcharge Documents Folder at <https://www.sddc.army.mil/domTrans/Pages/default.aspx>

5. Questions concerning fuel-related surcharges should be addressed to our Special Requirements Branch at telephone (618) 220-4513 or email [army.sddc.ops.negotiation@mail.mil](mailto:army.sddc.ops.negotiation@mail.mil)
