ITEM 320. **BOATS, CANOES, SKIFFS, LIGHT ROWBOATS, KAYAKS, SAILBOATS OR JET SKIS**

Boats, canoes, skiffs, light rowboats, kayaks, sailboats, or jet skis 14 feet and under in length, without trailers, and dinghies or sculls of any size, without trailers, shall move as normal household goods.

Civilians: In accordance with the Joint Travel Regulations (JTR), Chapter 5, Part D, HHG include boats (and their associated trailer) that can fit into a moving van (e.g., canoe, skiff, dinghy, scull, kayak, rowboat, sailboat, outboard/inboard motor boat).

NOTE 1: In determining lengths for the purpose of this item, all fractions of a foot shall be disregarded.

NOTE 2: The length of boats, canoes, skiffs, light rowboats, kayaks, sailboats, or jet skis shall be determined by the straight center line distance between the top center point of the transom and a point perpendicular with the foremost part of the bow. Manufacturer's "length overall" or "center line length" shall apply as the correct length for the purposes of this item in lieu of physical measurement by Transportation Service Provider.

ITEM 321. **CUSTOMER SATISFACTION SURVEYS**

SDDC will survey members at the completion of each of their moves. These Customer Satisfaction Surveys will determine members' satisfaction with Transportation Service Provider services at origin, destination, and their overall satisfaction with the Transportation Service Providers performance. SDDC will use the results of these surveys to determine a Performance Score for each Transportation Service Provider. Each Transportation Service Provider's Performance Score will be part of Families First, the future personal property program's traffic distribution methodology. Transportation Service Providers are reminded that customer survey results will not be used prior to the implementation of Families First, and TQAP requirements will remain in effect.

ITEM 322. **COLLECTION OF CHARGES ON HOUSEHOLD GOODS SHIPMENTS INVOLVING LOSS OR DESTRUCTION IN TRANSIT**

a. Transportation Service Provider shall not collect, or require a shipper to pay, any published charges (including any charges for accessorial services) when that shipment is totally lost or destroyed in transit. The provisions of this item shall apply only to the transportation of household goods. Notwithstanding any other provisions of this item, a Transportation Service Provider shall collect, and the shipper shall be required to pay, any specified valuation charge that may be due. This item shall not be applicable to the extent that any such loss or destruction is due to the act or omission of the shipper.

b. In the event that any portion, but less than all, of a shipment of household goods is lost or destroyed in transit, a motor common Transportation Service Provider of household goods in interstate or foreign commerce shall, at the time it disposes of claims for loss, damage, or injury to the articles in the shipment as provided in 49 CFR, Part 375, refund that portion of its published freight charges (including any charges for accessorial or terminal services) corresponding to that portion of the shipment which is lost or destroyed in transit. To calculate the charges applicable to the shipment as delivered, the Transportation Service Provider shall multiply the percentage corresponding to the portion of the shipment delivered by the total charges (including accessorial and terminal charges) applicable to the shipment tendered by the shipper. If the charges computed in the manner set forth above
