ITEM 322.

**COLLECTION OF CHARGES ON HOUSEHOLD GOODS
SHIPMENTS INVOLVING LOSS OR DESTRUCTION IN TRANSIT**

a. Transportation Service Provider shall not collect, or require a shipper to pay, any published charges (including any charges for accessorial services) when that shipment is totally lost or destroyed in transit. The provisions of this item shall apply only to the transportation of household goods. Notwithstanding any other provisions of this item, a Transportation Service Provider shall collect, and the shipper shall be required to pay, any specified valuation charge that may be due. This item shall not be applicable to the extent that any such loss or destruction is due to the act or omission of the shipper.

b. In the event that any portion, but less than all, of a shipment of household goods is lost or destroyed in transit, a motor common Transportation Service Provider of household goods in interstate or foreign commerce shall, at the time it disposes of claims for loss, damage, or injury to the articles in the shipment as provided in 49 CFR, Part 375, refund that portion of its published freight charges (including any charges for accessorial or terminal services) corresponding to that portion of the shipment which is lost or destroyed in transit. To calculate the charges applicable to the shipment as delivered, the Transportation Service Provider shall multiply the percentage corresponding to the portion of the shipment delivered by the total charges (including accessorial and terminal charges) applicable to the shipment tendered by the shipper. If the charges computed in the manner set forth above exceed the charges otherwise applicable to the shipment as delivered, the lesser of those charges shall apply. The provisions of this paragraph shall apply only to the transportation of household goods as defined in 49 CFR 375.1(b)(1). Notwithstanding any other provisions of this paragraph, a Transportation Service Provider shall collect, and the shipper shall be required to pay, that proportion of any charges for accessorial or terminal services rendered which corresponds to the proportion of shipment not lost or destroyed in transit and any specific valuation charge that may be due. The provisions of this paragraph shall not be applicable to the extent that any such loss or destruction is due to the act or omission of the shipper. Transportation Service Providers shall determine, at their own expense, the proportion of the shipment not lost or destroyed in transit.

c. In the event that a shipment of household goods is transported on more than one vehicle, the Transportation Service Provider transporting such a shipment shall collect the published charges due for that shipment, subject to the provisions of paragraph b above, but such Transportation Service Provider may collect those charges only after

DOMESTIC PERSONAL PROPERTY RATE SOLICITATION D-13

all parts of the shipment have been tendered for delivery, or may collect only that percentage of its published charges corresponding to that portion of the shipment which is tendered for delivery.

d. The rights provided by this item are in addition to, and not in lieu of, any other rights which the shipper of household goods may have with respect to a shipment of household goods which is lost or destroyed, or partially lost or destroyed, in transit, whether or not that shipper has exercised the rights provided above.

e. When reweigh of any shipment is made pursuant to this item, the charges for the reweigh will not apply, and the cost of such reweigh shall be borne by the Transportation Service Provider.

ITEM 323.

STATEMENT OF ACCESSORIAL SERVICES PERFORMED

A DD Form 619, Itemizing Accessorial Services Performed, shall be prepared by the Transportation Service Provider's representative and signed by the member or agent when such services are required and separately charged. Each household appliance serviced shall be identified to show the make, model, or the name of the manufacturer. All entries for appliances serviced by a third party shall be supported by an invoice stating the type of service performed.

Billing Note: Use the applicable labor rates contained in Item 403 when billing regular labor services under subitem **135B**, overtime labor services under subitem **135C**, or Sunday/holiday labor services (Alaska only) under subitem **135D**.

a. The transportation rates in this solicitation include the servicing and unservicing of household appliances and other articles which have free moving parts, mechanisms, attachments, or accessories, which if not properly serviced, might be damaged or rendered inoperative during transit.

The securing of the needle or player arm and turntable of stereo equipment shall not be considered as servicing and therefore no charge is applicable.

c. The following article shall be serviced and unserviced at the charge stated:

WASHER (requiring servicing other than tightening of bolts and securing permanently installed braces)

g. If an item such as a front-loading washer or other washer requires the purchase of a special "bracket" to stabilize the wash drum of the machine during transit, the cost of the bracket, plus the cost of any required third party service to install the bracket may be billed under billing code [TPS]. If the cost of the bracket does not require third party service to install, the cost of the bracket can be charged under item 429 of this solicitation, with an adequate explanation of the required item. PPSOs are authorized to approve the necessary third party or other costs deemed adequate to assure safe and undamaged transportation of such appliances and other such items contained in this item.

ITEM 423. [DIC]

DIVERSION

(140A) - Diversion - Flat Charge Per Shipment Weighing 12,000 lbs and over

(140B) - Diversion - Per CWT for Shipments Weight under 12,000 lbs

Billing Note: In addition to a diversion charge, transportation charges apply on shipments diverted to a new destination, while vehicle is en route or upon arriving at destination based on the total mileage from point of origin to point of final destination via the actual point of diversion or via the original destination point, whichever is less.

a. When instructions are made and confirmed in writing on a Diversion Certificate issued by the PPSO, the Transportation Service Provider shall divert the shipment subject to the following provisions and additional charges:

NOTE: Not applicable if diversion instructions are received prior to movement of shipment.

b. The term "diversion," as used herein, means change in the destination beyond 30 miles of the original destination point or outside the original destination area of responsibility.

c. When an order for diversion under this item is received by the Transportation Service Provider, diligent effort shall be made to locate the shipment and effect the change desired, but the Transportation Service Provider shall not be responsible for failure to effect the change ordered unless such failure is due to the error or negligence of the Transportation Service Provider or its employees.

d. Transportation charges on a shipment diverted to a new destination, while vehicle is enroute or upon arriving at original destination, shall be computed on the basis of the total mileage from point of origin to point of final destination via the actual point of diversion or the total mileage from point of origin to point of final destination via the original destination point, whichever is less. In addition to the additional mileage cost, the following diversion charge shall apply:

(1) On shipments diverted to a new destination area under the provisions of paragraph d above, an additional charge of \$4.00 per CWT shall apply. This is based on the weight at which the transportation rate is based, EXCEPT if shipment is moving under provisions of Item 320, paragraph a(2), Exclusive Use of Vehicle; or

(2) On shipments weighing or rated at 12,000 pounds or more, the above charge shall not apply. In lieu thereof, a flat charge of \$33.40 per diversion shall apply. If the new destination point is within 30 miles of the original destination point or within the original destination area of responsibility, no diversion charge shall apply.

e. On shipments diverted to a warehouse for SIT at a point other than original destination, the warehouse shall be considered the destination point, and transportation charges to the warehouse shall be assessed under the provisions of paragraph d above.

f. If instructions are received to divert a shipment that is in SIT, the provisions and charges of this rule shall not apply, and transportation charges shall be computed under the provisions of the applicable SIT rules.

DOMESTIC PERSONAL PROPERTY RATE SOLICITATION D-13

NOTE 1: Diversions shall be accomplished only upon receipt of the Diversion Certificate from the PPSO, which is either to be affixed to the original BL to support paper billing of diversion charge or provided upon request by the finance center for an EDI invoice.

NOTE 2: For shipments that are diverted or reconsigned in accordance with applicable rate record/tender, the Transportation Service Provider agrees to submit the original Diversion Certificate to the origin PPSO to authenticate the diversion along with the CWA billing.

SIT AND WAREHOUSE HANDLING CHARGES

(145A) - Storage - SIT First Day

(145B) - Storage - each Additional Day

(145C) - Storage - Warehouse Handling

Billing Note : For valuation charges applying on SIT shipment, the billing should be made under the applicable subitems for Item 415 or Item 416

a. SIT and warehouse handling charges are in dollars and cents per net CWT and apply based on location of warehouse where SIT service is provided. Charges for these services shall be based on actual weight of goods stored in transit, subject to 1,000-pound minimum. Rates in effect on the date of initial pickup at origin shall apply.

b. Storage charges apply for each day of storage and apply each time SIT service is rendered. Warehouse handling charge applies once each time a shipment is placed in SIT. The storage period shall include the day the goods are placed in storage, and the day the goods are removed from storage. If goods are removed from storage on the same day they are placed in storage, one day storage shall apply. (Exception: Property removed from SIT for the purpose of delivery to a residence but is returned after the attempted delivery shall remain on the same storage period. See Item 408.)

c. For valuation charges applying on SIT shipments, see Items 415 and 416.

If prior commitments prevent delivery on that date, every effort should be made to deliver as soon as possible thereafter within five (5) working days after the requested delivery date. In any event, storage charges shall cease to accrue on either of the following dates, whichever is earlier:

- (1) Requested delivery date or within five (5) working days following notification, whichever is later, or
- (2) The actual delivery date.

NOTE: The Transportation Service Provider should use the Transportation Service Provider's DOD approved agent facility located nearest the destination city or installation shown in block 18. **Should the Transportation Service Provider use a more distant facility for convenience, SIT and related charges shall be based on the Transportation Service Provider's agent's nearest available DOD approved facility.** Storage at a more distant facility for Transportation Service Provider's convenience should be annotated on DD619 by the PPSO. Nearest available Transportation Service Providers agent DOD approved storage facility is defined as follows: That Transportation Service Provider's agent facility which has DOD approval, has space for the shipment, and is accepting DOD traffic from the Transportation Service Provider. If the agent refuses to accept a shipment, e.g., because of the Transportation Service Provider's refusal to provide a waiver and/or to the Transportation Service Provider's poor payment history, the agent's facility shall be considered "available" for purpose of determining charges irrespective of what destination warehouse the Transportation Service Provider uses.
