

Military Surface Deployment and Distribution Command
Customer/ Carrier Advisory
February 27, 2015
CA-15-02/27-0024

Subject: Port Hueneme Naval Base Venture, Oxnard, CA Truck Appointment Requirements

Purpose: To provide guidance to all DoD Shippers on export cargo delivery to the subject port. This advisory is for all cargo delivered to SPOE 3GA Military Port.

Be Advised: To prevent frustrated cargo at the port, all truck carriers must make appointment in advance. Export OCONUS must be booked through Military Surface Deployment and Distribution Command (SDDC) prior to delivery to the port.

Port Hueneme cargo receiving hours are Monday – Thursday 0800 – 1600, Friday 0800 - 1530.

POCs for Truck Appointments: 834th Transportation Battalion, Telephone number 925-246-4328.

Shipper Guidance: Shippers are required generate complete TCMD shipping data to include delivery instructions prior to delivery to the port.

All Hazardous Materials must be identified at time of booking and delivered to the port with Hazardous Declarations. All sensitive items must be documented and coded with applicable shipping commodity codes and accompanied by completed documentation for change of custody, i.e. DD Form 1907 Signature & Tally. Cargo must be properly labeled with an MSL for the ultimate destination and RFID tagged as required. Cargo must not arrive earlier than 10 days prior to ETA of vessel booked.

AOR for vessel operations is the 834th Transportation Battalion.

POC: Questions should be addressed to (925) 246-4144 or (925) 348-4749 or e-mail questions to office mailbox sddc.crd.bookings@us.army.mil

Expiration: N/A
