

Military Surface Deployment and Distribution Command
Customer/Carrier Advisory
July 13, 2015
CA-15-06/17-0065

Subject: Rail System Repair at Hawthorne AD, NV (HWAD) (W65XZ2)
Completed

Purpose: To advise the customers/carriers that HWAD rail system has been repaired and is operational. During a two week period (1-13 Jun 15) HWAD received above average rainfall to include a category F-1 tornado which caused major damage to their rail system.

Be Advised: HWAD completed the rail system repairs 45 days prior to their original estimated date of completion of 31 Aug 15.

Hawthorne AD POC: Transportation Officer; (775) 316-0004 or DSN: 830-7118.

Expiration: 30 Sep 15
