Subject: Movement of DOD Cargo into Diyarbakir (Site D), Turkey (FY3052) in Support of Operation INHERENT RESOLVE (OIR)

Purpose: To provide all DOD shippers with updated shipping instructions for MICAP and other high transportation priority (TP) cargo movements.

Be Advised: For all shipments consigned to FY3052, please route door-to-door via TDS method. For non-MILSTRIP shipments, the FY3052 address will be annotated in Block 3 of the DD Form 1149.

NOTE #1: For TDS cargo consigned to Site D, **do not route** via Incirlik. United Parcel Service (UPS) is the only participating carrier for movement of all TDS shipments consigned to Site D. Failure to use UPS will result in TDS cargo to be diverted via Incirlik to Site D which will add prolonged transit times. All shipments consigned for Site D will use the following address:

FY3052 8 INCI ANA JET KOMUTOLUPI
CP 011 49 63 71 47 6327
DIYARBAKIR HAVALIMANI APRT
DIYARBAKIR TR 21060
TURKEY

NOTE #2: When processing TDS cargo in CMOS, shippers **must** use the service code EXP (Worldwide Express) to rate the cargo for Diyarbakir. This will eliminate any shipping errors/misdirected shipments and direct all movement to Site D versus via Incirlik.
