Subject: Update 5 Movement of DoD Cargo into Muwaffaq Al Salti Air Base (MSAB) (FB5808)

Purpose: To provide MICAP shipping instructions to all DoD shippers

Be advised: Due to recent changes in Host Nation customs procedures in Jordan, Total Delivery Service (TDS) carriers (i.e. FedEx, UPS) are now allowed to transport **MICAP ONLY** DoD shipments into Jordan and will be cleared as "Duty Free".

Effective immediately,

Note #1: All DoD MICAPS are now allowed to be shipped via Total Delivery Service (TDS) destined to Muwaffaq Al Salti Air Base (MSAB). **MICAPS must be shipped using DODAAC FB5808.**

Note: In CMOS you will rate to Amman, Jordan which is the point of entry. Still consign the cargo to FB5808/FE5808.
