TO: DOD-APPROVED PERSONAL PROPERTY TRANSPORTATION SERVICE PROVIDERS (TSP)

SUBJ: INSURANCE AND BOND REJECTIONS

1. To comply with the recent change to the SDDC Pamphlet 55-4 Transportation Service Provider Qualifications, dated 02 July 2013, SDDC will start rejecting all insurance and bonds in DPS with effective dates prior to 2013.
2. TSPs are responsible for ensuring their insurance and bond representatives maintain a current External Certificate Authority (ECA) and remain active in DPS. Upon renewal, TSPs are responsible for updating the effective dates of the bonds and insurance documents in DPS.
3. Additionally, insurance and bond representatives are required to cancel insurance and bonds in DPS when services are terminated. TSPs should also disassociate the insurance and bond representatives in DPS when their services are terminated, and associate new representatives as required. SDDC will release a future advisory prior to taking any actions for TSP non-compliance.
4. Please address questions regarding this advisory to Mr. Jerry Jordan at (618) 220-5775 or Mr. Marty Calkins at (618) 220-5407.
