DATE: 13 August 2014

FROM: SDDC-PP SCOTT AFB, IL

TO: DOD APPROVED PERSONAL PROPERTY TRANSPORTATION SERVICE PROVIDERS (TSP)

SUBJ: Recalculation of Customer Satisfaction Survey (CSS) Scores for the 1 Oct to 31 Dec 2014 Performance Period

1. TSPs should review DTR Part IV Chapter 403 on what constitutes a valid CSS appeal.
2. The data pull for this recalculation was 1 August 2013 - 31 July 2014 and is effective starting with the 1 October Performance Period.
3. TSPs that are not statistically valid will receive supplemental survey scores which are added only to the remaining needed surveys to achieve statistical validity. The value attributed to supplemental survey scores is equivalent to the mean (average) value of the market and are calculated each performance period. The values attributed to the remaining ten surveys are equivalent to the mean (average) market score. The mean scores for this period are: dHHG 86.21; iHHG 82.34; iUB 86.43
4. SDDC asks each TSP to review their CSS scores for accuracy. The email address to submit appeal requests is sddc.safb.icss@us.army.mil. The window to submit CSS appeals is 13 – 19 August 2014. Any appeals received after 2359 CST on 19 Aug 2014 will not be considered.
5. TSPs should continue to submit Non-Temporary Storage (NTS) and CSS appeals for all SCACs represented in one message. All appeals MUST be sent from an individual that is on that TSP's ETOSSS. We will send an email verifying receipt of your appeal within two (2) business days. If you do not receive a receipt email, contact Mike Dobbs at 618-220-5404 or Ed Naki at 618-220-5483. Please send appeals in an Excel spreadsheet with all of the below columns filled out.

TSP PoC	TSP Email	TSP Company	SCAC	GBL #	Appeal Type (CSS or NTS)	CSS Appeal Reason
------------	-----------	-------------	------	-------	--------------------------	-------------------

For prompt processing, the email subject line must include the words "NTS/CSS Appeal". Do NOT send copies of GBLs as they are no longer needed. TSPs can re-submit any appeals that miss the cutoff during the **NEXT** recalculation of the CSS. Reminder: The CSS must be completed within 12 months of the delivery date, and within 24 months of pickup date. If appeal is a date reason, just put "Dates" as a reason. A simple data pull will verify these. If appeal is for a "conversion to member's expense", just put "Conversion" as reason. Do not send in appeals for zero score surveys. Since October 2012 SDDC has been removing them from ICSS at each monthly upload. Reminder: NTS appeals are only for those shipments delivered out of NTS, and should NOT include shipments out of SIT or a self storage unit.

Scores can be viewed using the Interim Customer Satisfaction Survey (ICSS) tool located on the ETA website (<https://eta.sddc.army.mil>, Personal Property, ICSS. Please use the report titled 'TSP CSS Score' and run the report for performance period. If you do not have access to the ICSS tool you may request via email at safb.etaadminhd@us.army.mil. The request must come from the Vice-President or above of the company and must contain the SCAC, TSP name, employee name, position, phone number, and email address.
