

SDDC-PP ADVISORY 15-0019

DATE: 12 January 2014

FROM: SDDC-PP SCOTT AFB, IL

TO: DOD APPROVED PERSONAL PROPERTY TRANSPORTATION SERVICE PROVIDERS (TSP)

SUBJ: Recalculation of Customer Satisfaction Survey (CSS) Scores for the 15 May to 31 July 2015 Performance Period

1. TSPs should review DTR Part IV Chapter 403 on what constitutes a valid CSS appeal.
2. The data pull for this recalculation was 1 January 2014 - 31 December 2014 and is effective starting with the 15 May Performance Period.
3. TSPs that are not statistically valid will receive supplemental survey scores which are added only to the remaining needed surveys to achieve statistical validity. The value attributed to supplemental survey scores is equivalent to the mean (average) value of the market and are calculated each performance period. The values attributed to the remaining ten surveys are equivalent to the mean (average) market score. The mean scores for this period are: dHHG 87.32; iHHG 83.43; iUB 86.64 OTO 77.03
4. TSPs should review their CSS scores for accuracy. The email address to submit appeal requests is [sddc.safb.icss@us.army.mil](mailto:sddc.safb.icss@us.army.mil). The window to submit CSS appeals is 12 – 20 January 2015. Any appeals received after 2359 CST on 20 January 2015 will not be considered.
5. TSPs should continue to submit non-temporary storage (NTS) and CSS appeals for all Standard Carrier Alpha Codes (SCACs) represented in one message. All appeals MUST be sent from an individual that is on that TSP's Electronic Tender of Service Signature Sheet (ETOSSS). We will send an email verifying receipt of your appeal within two (2) business days. If you do not receive a receipt email, contact Mr. Mike Dobbs at 618-220-5404. Please send appeals in a Microsoft Excel workbook, and include data for each of the following columns:

TSP PoC	TSP Email	TSP Company	SCAC	GBL #	Appeal Type (CSS or NTS)	CSS Appeal Reason
---------	-----------	-------------	------	-------	--------------------------	-------------------
6. Reminder: The CSS must be completed within 12 months of the delivery date, and within 24 months of pickup date. If appeal is a date reason, just put "Dates" as a reason. If appeal is for a "conversion to member's expense", just put "Conversion" as reason. A simple data pull will verify these. NTS appeals are only for those shipments delivered out of NTS, and should NOT include shipments out of SIT or a self storage unit.
7. Effective immediately, only "Submitted" surveys will be used for each monthly upload into ICSS. This only affects monthly uploads into ICSS beginning in January 2015, all past surveys are grandfather in. This will alleviate the problem of using incomplete surveys when customers are "timed out" while attempting to complete survey. To facilitate prompt processing, include the words "NTS/CSS Appeal" in the email subject line.
8. Scores can be viewed using the Interim Customer Satisfaction Survey (ICSS) tool located on the ETA website (<https://eta.sddc.army.mil>, Personal Property, ICSS. Please use the report titled "TSP CSS Score" and run the report for performance period. If you do not have access to the ICSS tool you may request via email at [safb.etaadminhd@us.army.mil](mailto:safb.etaadminhd@us.army.mil). The request must come from the Vice-President or above of the company and must contain the SCAC, TSP name, employee name, position, phone number, and email address.
