SUBJ: DEFENSE PERSONAL PROPERTY PROGRAM (DP3) 2015 RATE CYCLE RATE FILING PROCESS UPDATE #3

1. This message provides all DOD Personal Property Program approved TSPs notification of Defense Personal Property Program Rate Filing schedule. TSPs are reminded that SDDC will utilize the Rate Filing Architectural Improvement Workbench capability for the 2015 Rate Filing Cycle.

2. Updated Rate Filing Dates/Times

Round 1: 10 Feb 15 (6:00 PM CST) – 18 Feb 15 (6:00 PM CST)

Round 2: 08 Mar 15 (7:00 PM CDT) – 13 Mar 15 (7:00 PM CDT)

3. The “Draft” Rate Filing User Guide-(TSP Edition) sent with the initial Rate Filing Notification is currently being finalized and should contain minor changes. One recent change is that the TSP Operations Manager user role will NOT be able to file rates. The final user guide will be posted to our SDDC-PP Homepage, and we will also send a copy via a separate message.

4. TSPs filing for Domestic channels must file four components: Peak Linehaul, Non-Peak Linehaul, Peak SIT, and Non-Peak SIT rates. TSPs filing for International channels must file two components: Peak Single Factor Rate and Non-Peak Single Factor Rate. All components MUST be accepted by the end of Round 2 in order for the bid to be considered valid. TSPs must file a complete bid pair (e.g. Peak Linehaul and Peak SIT or Non Peak Linehaul and Non Peak SIT) in order for the rates to receive a validation check against the competitive ranges.

5. For TSPs filing in both Domestic and International Markets using the Bulk Rate File method, separate Bulk Rate Files must be filed for each market (dHHG, iUB, iHHG).
