

SDDC-PP Advisory 15-0119

Date: 28 September 2015

From: AMSSD-PP Scott AFB, IL 62225

To: All Military Service Headquarters Representatives, Worldwide Personal Property Shipping Offices (PPSOs) and Personal Property Program Offices (PPPOs)

Subject: A Defense Logistics Agency (DLA) Notice for Improper Billing of Personal Property Shipments in Accordance with Permanent Duty Travel (PDT)

1. DLA has identified a substantial amount of erroneous charges for the payment of personal property shipments in conjunction with Permanent Duty Travel (PDT). The erroneous charges are a result of the improper selection of Transaction Account Codes (TACs) and/or Lines of Accounting (LOAs) when the transportation office is unable to use the TAC or LOA on the customer's orders.

2. DLA requests all HQ Services to reiterate to their PPSOs and PPPOs the importance of inputting accurate and authorized TAC and/or LOA information into the Defense Property System (DPS) to avoid erroneous billing. Please ensure widest dissemination within your organizations, so all key personnel are aware.

3. Below are the TACs that belong to DLA and should not be used for non-DLA customer's personal property moves:
