Date: 10 Sep 2015

From: AMSSD-PP Scott AFB, IL 62225

To: Military Service Headquarters, DoD Approved Transportation Service Providers (TSPs)

Subject: Intrastate Requalification Submission Update

1. Update to Surface Deployment and Distribution Command's (SDDC) Personal Property Directorate Advisories 15-0093, 15-0103, and 15-0115.
2. After receiving and assessing packages and comments from Intrastate approved TSPs, SDDC has decided to suspend the use of new criteria to requalify currently approved intrastate TSPs.
3. SDDC will not remove any responding TSP's intrastate approval based on lack of a "warehouse" or "vehicles" in a particular state.
4. TSPs who met the new requirements and applied for approval for the additional states of Iowa, Rhode Island, Vermont, Kansas, and West Virginia were assessed and allowed entry into those states.
5. In accordance with the Defense Personal Property Program (DP3) Domestic 400NG Tariff, Item 8, paragraph 1, SDDC is removing intrastate approvals for TSPs who did not file rates for two consecutive rate cycles in those states. TSPs who filed rates but were rejected due to the competitive range are exempt from removal.
6. The data call and information will allow SDDC to continue to better understand industry relationships and we look forward to continuing proactive dialogue in advance of final decisions.
