From: AMSSD-PPQ Scott AFB, IL 62225

To: Military Service Headquarters and DoD Approved Transportation Service Providers (TSPs)

Subject: DoD Household Goods (HHG) Channeling Pilot Test (UPDATE)

1. Due to ongoing evaluation of Federal Register Notice comments and assessment of the overall impact to the Defense Personal Property Program (DP3), the HHG Channeling Pilot will not begin in Spring CY16; further execution and associated timing decisions have not been made at this time. We will continue to re-evaluate the CONOPS and will collaborate with industry on any future HHG initiatives.
