

SDDC-PP ADVISORY 16-0033

Date: 17 December 2015

From: AMSSD-PP Scott, IL 62225

To: Department of Defense Approved Transportation Service Providers (TSPs)

Subject: Adjusted Mean Score for 1 Jan-14 May Performance Period

1. As referenced in PP Advisory 16-0028 CSS Review, the CSS scores were incorrectly calculated in DPS. As a result, the mean scores provided in PP Advisory 16-0014 for the 1 January - 14 May 2016 Performance Period were incorrect. These scores have been corrected and updated in ICSS as listed below.

2. Corrected mean scores.

dHHG	85.60
iHHG	83.92
iUB	86.75
OTO	78.30

3. As a reminder the appeals period referenced in PP Advisory 16-0014 closed 2359 CST 14 November 2015 and there will be no further submissions for this performance period. The adjusted mean scores are provided to assist TSPs who are projecting their placement in the forthcoming 1 January-14 May Performance Period and to ensure interested stakeholders use the proper scores to validate rankings.

4. A separate advisory on the 2nd of two mini appeals periods which will apply to the 15May-31July performance period is forthcoming.

5. This message is approved for release by Mr. Daniel Martinez, Chief, Quality Assurance Division, HQ SDDC
