

SDDC-PP Advisory 16-0059

Date: 29 February 2016

From: AMSSD-PP Scott AFB, IL

To: Transportation Service Providers (TSPs), Military Service Headquarters Representatives, Worldwide Personal Property Shipping Offices (PPSOs)

Subject: Defense Personal Property Program (DP3) Peak Season Shipment Data

1. In preparation for the upcoming 2016 Peak Season and now that DP3 annual rate filing has completed, SDDC is monitoring daily the Shipment Management queues for shipments picking up 15 May 2016 and later, specifically the Route and Award queues. In coordination with the Industry feedback we are providing the attached sanitized shipment data to assist Transportation Service Providers (TSPs) with planning in anticipation of these shipments being awarded.
2. Data analysis as of **29 February there are 2,368 shipments** awaiting creation of traffic distribution lists for 15 May 2016 and beyond. Once the TDLs are created these shipments can be booked.
3. The attached report provides industry with details on the origin, destination, requested pickup date, code of service, and estimated weight of these shipments. This data is intended to assist industry in anticipation of these shipments being awarded on when 2016 TDLs become available (Reference SDDC-PP Advisory 16-0058 issued on 26 February).
4. We will continue to monitor and share data on pending shipments as they move from the second to last step (status of 'Reviewed by Counselor and Approved to go to Route/Book') to the final "TSP selection" step.
